YOUR OPPORTUNITY IN WINDOW SHADES

Big Values for Quick Buyers Tomorrow Only

We have collected our entire stock of high grade Window Shades in our salesroom and are determined that they shall not go back to the warehouse. Some of them are smoked a little, but they are all in first class working order. The lot includes just the shade for your windows... and the prices range from 10c up. We needn't tell you that, at such prices, these shades won't stay in our store very long.

RANGES

If you are now or are likely in the next year to be in need of a good range, you cannot afford to pass by this offer. Ranges that we sold regularly at \$38, now \$26. This sale has been a phenomenal success. Why? Because we have promised unusual bargains in furniture and we have made good every promise. We shall continue the good work. We still have a great stock of furniture, most lines being practically complete. Do not put off getting that piece you want, you will not be able to buy so cheaply again.
